

Makadi Water World is the latest fun-filled addition to the integrated getaway "Madinat Makadi". Featuring fifty different slides for both kids and adults including a 19 meters free-fall slide; it's Egypt's largest and the best outing for the entire family

## **Water Slides:** **SHARK HOUSE**

This pirate-themed aquatic play area is a kiddie heaven. An activity pool is at the center, featuring multi-colored slides and a giant tipping-bucket that pours 1000 Liter of water every two minutes! Designed specifically with our young guests in mind, the pool features a multi-functional purification system that is the first of its kind in the Middle East.

## **FAMILY SLIDE**

The number one family raft ride takes you for a loop to a series of breathtaking drops and dips with a super splashdown. All ages can share the excitement.

## **TUNNEL FREE FALL**

Ride the slide down to splashdown pool on Tunnel Free Fall. This high speed water slide will have you running back for another go as soon as you've finished!

## **AQUA TUBE & BODY SLIDE**

Soar through heart-pounding drops and pulse-racing dips and curves as you blast through 126-m of an enclosed tube.

## **KAMIKAZE & FREE FALL**

Our steepest drop offers 95-m of pure thrill down. This is sure to get your adrenaline pumping.

## **TURBOLENCE**

This long, winding open and closed body slides have more than their fair share of crazy curves, heart-pounding drops and thrilling dips and ends with a surprise splash.

## **SPACE BOAT**

A thrilling drop from a 92-meter high tower into an open tunnel full of colorful spins ends with a splash in a giant water bowl.

## **RAFTING SLIDE & BLACK HOLE**

Slow & fast chutes with lighting & sound effects along the 101-m route of thrills. Combines spectacular special effects through dark tunnels & beams of light, which attack the senses as you ride to the final splashdown

## **WINDIGO SLIDE**

Windgo is sophisticated, thrilling ride starting with enclosed aquatubes slides, transforming into high speed multiracer lanes

## **FLYING BOAT SLIDE**

Take a 53-m. plunge into the splash pool below

## **TWISTER**

Zoom through the twists and turns of this fast and fun slide to a final big splash down

## **KID'S POOL SLIDES**

Designed and built just for the little ones, this shallow-water playground features animal shaped slides and mushroom showers.

## TSUNAMI

Not for the faint hearted. Feel the world drop out from under you at one of the most exhilarating rides. It's a splash you'll never forget.

## WAVE SLIDE

Brave the wave with this 45 degree water slide made with FUN in mind.

## SPACE HOLE SLIDE

A tubeless single rider that starts out in an enclosed dark tube before entering the bowl at full speed. After multiple high speed spins around the outer perimeter, a gradual deceleration moves riders towards the exit at the bowl's center ending with a splash drop landing.
